

Dworkin® Diversity Statement

In order for Dworkin® to truly deliver the best service to our clients, it is vital that we work as a fully inclusive team. Dworkin®, because of its growing geographical presence, makes sure that it employs always without reservation, people from different cultural and life backgrounds.

Because of Dworkin®'s inclusive nature this makes for a strong player in the IT industry. In having such a culturally diverse workforce, this presents different viewpoints and different local and cultural knowledge. This in turn, allows Dworkin® to understand, develop close business partnerships and ensure that as a team, Dworkin® always works towards a common goal of delivering the very highest customer satisfaction.

Dworkin®'s diversity and inclusive culture makes for a happy relaxed and determined workforce, this allows for the continual growth and prosperity of a successful and modern thinking company.
